First-Come, First-Served! Receive a \$25 Bonus Deposit from ONAC

The Oklahoma Native Assets Coalition, Inc. (ONAC) is offering a Twenty-Five Dollar Match for the first 100 newly-opened *eChoice Accounts* at First State Bank of Anadarko

The Wichita and Affiliated Tribes is working in partnership with the Native Bank On ONAC initiative of the Oklahoma Native Assets Coalition, Inc. (ONAC), and First State Bank of Anadarko, to support the new Bank On nationally-certified *eChoice Account* at First State Bank of Anadarko. The account is called the *eChoice Account* and is a checkless, safe, and affordable account that has many attractive features that would cost extra in most “checking” account offerings from other banks.

The *eChoice Account's* free direct deposit feature is particularly valuable to you when you want to deposit or direct deposit any federal COVID-19 economic impact payments, paychecks, unemployment payments, tax refunds, savings, etc. Native Bank On ONAC is part of a larger, national, Bank On initiative that ensures that Bank On certified accounts must be low-cost, safe, and certified to meet standards that serve the needs of ALL people; not only people who can afford to spend hundreds of dollars in fees every year to get the same required features that First State Bank of Anadarko's *eChoice Account* offers for only a \$25 minimum opening account balance and \$5 per month in maintenance fees.

Account features for the First State Bank of Anadarko *eChoice Account* include:

- \$25 opening account deposit
- Debit card/pre-paid card
- No monthly minimum balance required
- Free bill pay by customer
- Free monthly statements
- Online or Mobile banking transfers.
- Low minimum monthly fee (\$5 or less)

The first 20 people who go to the Anadarko branch of the First State Bank of Anadarko to open an *eChoice Account*, with at least the minimum \$25 opening balance, will receive a \$25 bonus account deposit from ONAC, through the Native Bank On ONAC initiative

First State Bank of Anadarko will inform applicants by mail if they are one of the first 20 approved account applicants and have been credited with an extra \$25 deposit. The process of receiving receipt of the bonus money may take as long as two weeks to one month from the opening of the account. If you do not receive a confirmation letter and deposit slip from First State Bank of Anadarko for the extra \$25 within a month from opening the account, you will know that your opening deposit was not one of the first 20 that qualified, and that the special account opening deposit funds have been expended.

However, even after the opportunity for a \$25 bonus deposit from ONAC has ended, you will still receive many financial benefits by opening a safe and affordable *eChoice Account* at First State Bank of Anadarko. *eChoice Account* holders save hundreds of dollars annually by using their *eChoice Account* as opposed to going to check cashers, buying money orders, paying overdraft fees, paying high account maintenance fees, or opening one of the many other checking account offerings that cost the average account holder \$150 dollars per year or more, while providing fewer benefits.

What do I need to do to open a “Bank On” eChoice Account at First State Bank of Anadarko?

1. Go to <https://www.fsbanadarko.com/doccenter/c4355718e14e4856b8db73303d6c35bf> to access the new account form and complete it. If you can't access this form online, a bank employee can give you a copy of the form either in the lobby or at the drive-through window.
2. Take two forms of ID with you. These may include a combination of the following:
 - a. tribal ID AND a state ID
 - b. tribal ID AND a driver's license
 - c. a tribal ID card OR a state ID AND one of the following: Social Security card, birth certificate, or voter registration card
3. Bring the completed new account form, photocopies of two forms of ID, and the actual IDs with you to the lobby or drive-through at the First State Bank of Anadarko branch located at 102 W. Main Street, Anadarko, OK, 73005.

DRIVE-THROUGH HOURS
Monday thru Thursday: 7:30 a.m. – 3 p.m.
Friday: 7:30 a.m. – 6 p.m.

LOBBY HOURS
Monday thru Thursday: 9 a.m. – 3 p.m.
Friday: 9 a.m. – 6 p.m.

If you don't have a way to photocopy your two forms of ID, bring the two IDs with you, go to the lobby or drive-through window, and let the banker know you are there to open the *eChoice Account*. Provide the completed new account form and IDs (they will copy them and return the IDs to you). The banker will tell you when to come back to the bank to sign the account signature card (likely 1–2 hours from when you dropped off the account opening materials). Keep your two forms of ID with you in case they need to see them again to verify your identity.

For any questions about how to open an *eChoice Account*, or the features and benefits it provides, please call First State Bank of Anadarko at 405-247-2471.
