## **First-Come, First-Served! Receive a \$25 Bonus Deposit from ONAC**

### **The Oklahoma Native Assets Coalition, Inc. (ONAC) is offering a Twenty-five Dollar Match for the first 100 newly-opened *Simply Safe Bank Accounts* at AllNations Bank**

The Absentee Shawnee Housing Authority and the Citizen Potawatomi Community Development Corporation are working in partnership with the Native Bank On ONAC initiative of the Oklahoma Native Assets Coalition, Inc. (ONAC), and Native-owned AllNations Bank in Shawnee and Calumet, to support the new Bank On nationally-certified Simply Safe Account at AllNations Bank. The account is called the Simply Safe Account and is a checkless, safe, and affordable account that has many attractive features that would cost extra in most “checking” account offerings from other banks.

The Simply Safe Account’s free direct deposit feature is particularly valuable to you when you want to deposit or direct deposit any federal COVID-19 economic impact payments, paychecks, unemployment payments, tax refunds, savings, etc. Native Bank On ONAC is part of a larger, national, Bank On initiative that ensures that Bank On certified accounts must be low-cost, safe, and certified to meet standards that serve the needs of ALL people; not only people who can afford to spend hundreds of dollars in fees every year to get the same required features that AllNations Bank Simply Safe Account offers for only a \$25 minimum opening account balance and \$5 per month in maintenance fees.

#### **The “Bank On” Simply Safe Account features include:**

- Minimum balance to open is \$25.00
- Monthly Maintenance Fee of \$5.00 a month
- Unlimited Deposits
- Free ATM Use ‘In Network,’ or at all AllNations bank branches and supported ATM machines
- Free ATM Use “Out of Network” (however any ATM fees charged by other banks or credit unions at which you may take withdrawals will apply)
- Free Direct Deposit (but direct deposit is not required)
- Free Online Banking
- Free Mobile Banking
- Free Bill Pay
- Free Printable Online Electronic Monthly Statement (or \$2.00 per month for paper)
- Free Check Cashing for items drawn “on-us”
- Since this is a checkless account there is no Overdraft Fee
- However, transactions that involve a check (including written checks, check by phone or third-party authorizations that come through as a check) will not be honored regardless of account balance. Please Note: Account transactions are limited to Debit Card and ATM transactions, Online Bill Pay, Online or Mobile banking transfers.

The first 100 people who go to an AllNations Bank facility to open a Simply Safe Account, with at least the minimum \$25 opening balance, will receive a \$25 bonus account deposit from ONAC. AllNations Bank will inform applicants by mail if they qualified as one of the first 100 applicants and have been credited with an extra \$25 deposit. The process should take about two weeks from the opening of the account. If you do not receive a confirmation letter and deposit slip from AllNations Bank for the extra \$25 within a month from opening the account, you will know that your opening deposit was not one of the first 100 that qualified, and that the special account opening deposit funds have been expended.

However, even after this opportunity for a bonus deposit from ONAC has ended, you can still receive many financial benefits by opening a safe and affordable Simply Safe account. Simply Safe Account holders will save hundreds of dollars annually by using the Simply Safe Account as opposed to going to Check Cashers, buying money orders, paying overdraft fees, paying high account maintenance fees, or opening one of the many other checking account offerings that cost the average account holder \$150 dollars per year or more, while providing fewer benefits.

### ***What do I need to do to open a Simply Safe Account at AllNations Bank?***

1. Go to <https://www.anbok.com> to access the new account form and complete it. If for some reason you can't access this form electronically email Jill Maple at [jmaple@anbok.com](mailto:jmaple@anbok.com) to request an account application or ask for a copy of the application at an AllNations bank drive-through window – then you can also open the account at the drive-through window if you:
2. Take two forms of ID with you. These may include a combination of the following:
  - a. tribal ID AND a state ID
  - b. tribal ID AND a driver's license
  - c. a tribal ID card OR a state ID AND one of the following: Social Security card, birth certificate, or voter registration card
3. Bring or fill out and submit the completed new account form, bring photocopies of two forms of ID (if possible), and the actual IDs with you to AllNations drive-throughs located at the following addresses, within the following drive-through hours :
  - Calumet (114 E. Main St. Calumet, OK) Monday – Friday 8:00 a.m. to 4:00 p.m.
  - Shawnee (2023 Gordon Cooper Drive, Shawnee, OK) Monday – Wednesday 9am to 5pm, Thursday and Friday 9:00 a.m. to 5:30 p.m.

If you don't have a way to photocopy your two forms of ID, bring the two IDs with you, go to the drive-through window, and let the banker know you are there to open the Simply Safe Account. Provide the completed new account form and IDs (they will copy them and return the IDs to you). The banker will tell you when to come back to the drive-through to sign the account signature card (likely 1-2 hours from when you dropped off the account opening materials). Keep your two forms of ID with you in case they need to see them again to verify your identity.
